

NC Pathways to Grade-Level Reading Stakeholder Meeting

WORKSHEET: Adding Value Interview Form

Please take a few minutes to think about how developing and owning these measures of success might add value to your work and/or your organization's work. Interview a neighbor at your table and jot down his/her thoughts below:

Name:

Organization:

Check off the goal(s) (s)he most identifies with her/his work or passion:

- Health and Development on Track, Starting at Birth
- Supported and Supportive Families and Communities
- High Quality Early Care and Education
- Effective Teaching and Learning in K-3 Classrooms

How do you think the measures of success could add value to your work, your organization's work, and/or your sector's work?
